Good Morning Song (ALL)

Ashley Mills Monaghan
Good morning Good morning
How are you today?
Good morning Good morning
It's going to be a good day
I am strong
I am smart
I am kind
I try hard
I am strong
I am smart
I am kind
I try hard
Good morning Good morning
It's gonna be a good day!

The More We Get Together (ALL)

The more we get together together together
The more we get together the happier we'll be
Cause your friends are my friends
And my friends are your friends
The more we get together
The happier we'll be
2nd time through - The more we SING together
3rd time through - The more we LEARN together

Here is the Beehive poem (LITTLE HANDS)

Here is the beehive
But where are all the bees?
Hiding away where nobody sees
Watch and you'll see them come out of the hive
1 2 3 4 5!
Bzzzzz!!

Our Garden Grows POEM:

Put a little seedling in the ground (scrunch scarf in hand & hide it away, plant a seed)

With time our garden grows! (Reach hands to the sky)

5 Little Hummingbirds

By Ashley Mills Monaghan

5 little hummingbirds zooming through the sky

They hover and they flutter as their tiny wings fly

They drink up nectar going flower to flower

Spreading their pollinating power

Birdies to the nest!

Birdies to the nest!

Birdies to the nest!

But only 1 came back for her rest...

How many are left?

4 little hummingbirds zooming through the sky....3,2,1...

Take a Little Love (Patina Jackson)

Take a little love and pass it on, pass it on pass it on
Take a little love and pass it on and your love will grow too

Take a little joy and pass it on, pass it on pass it on
Take a little joy and pass it on and your joy will grow too

Take a little hope and pass it on, pass it on, pass it on
Take a little hope and pass it on and your hope will grow too

You can share your love
With kindness or a hug
You can shine some joy
With just a smile
You can change the world
With the tiniest bit of hope
If you take a little hope and pass it on
If you take a little joy and pass it on
Just take a little love and pass it on

3 LITTLE BIRDS *(BIG HEARTS)*

by Bob Marley

Don't worry

About a thing

Cause every little thing

Is gonna be alright

Singin' Don't worry

About a thing

Cause everything little thing

Is gonna be alright

Rise up this morning

Smile with the rising sun

Three little birds

Perched by my doorstep

Singing sweet songs

Of melodies pure and true

Singing this is my message to you

Don't worry

About a thing

Cause every little thing

Is gonna be alright

Singin' Don't worry

About a thing

Cause everything little thing

Is gonna be alright

Rise up this morning

Smile with the rising sun

Three little birds

Perched by my doorstep

Singing sweet songs

Of melodies pure and true

Singing this is my message to you

Don't worry

About a thing

Cause every little thing

Is gonna be alright

Singin' Don't worry

About a thing

Cause everything little thing

Is gonna be alright
